- City Wide Yard Sale – Lessons learned.
 - The yard sale has become more of a flea market than residents selling yard sale items, need to figure out how to control it, consider moving the yard sale downtown and have it the same day as MayFest. Committee to discuss further and decide if it would be feasible.

 - Gospel Life has offered to help.
- Budget for the year closes June 30, 2012, will have final accounting at the August meeting.
- Identifying new/potential F&E committee members & volunteers, no one recommended.
- Cancel July meeting since it will be during Movies in the Park, next meeting will be August 13, 2012.
- Adjourn at 7:45 pm
